Dear Community Supporter,

Stonerose is holding its second annual “Party in the Park” fundraising auction in Republic on July 7th, 2018. The event will be held in an enormous Eocene Garden Themed party tent. Last year the well-attended event grossed \$12,000, which helped us through the long winter months when we see fewer visitors and have limited earned income.

We hope those who understand how important Stonerose is...

- ***to the public we serve***
- ***to the children that we interest in science***
- ***to the contribution that our fossils make to the scientific world***

...will show their support!

Stonerose Fossil Interpretive Center is committed to promoting education through hands-on science and maintaining a scientific collection for continued research. We recognize the importance of specimens discovered by the public to the scientific community.

Can you help? We need items and services for our auction, sponsorships at several levels, and friends to attend the event! Sponsorship levels are listed below. Ideas for auction items are also listed. If you can help, please call us, email us, or simply visit our website at www.stonerosefossil.org to access the event website. Questions? Contact us!

Sincerely,

Katherine Meade
